

Monday 26th May 2014.

Dear Parent / Guardian,

Just a few items for your information:

The final 4 weeks of term

This last term is very short. We had a very successful Sports Day and School Tour and now we are getting ready for our remaining school plays. Here are some dates for your diary.

Humpty Dumpty - Infant Class Play

This is a very special performance on Thursday 5th June at 1.30pm, so be sure not to miss it!

"The Elves & the Shoemaker" - 4th /5th / 6th Class Play

The final performance for some on Thursday 12th June at 2.20 pm. The last chance to shine before moving on to secondary school.

6th Class Graduation

On Friday 13th June at 2.30pm, we wave goodbye to our smallest class. Presentation of certificates to 6th Class who will wear graduation gowns and hats. There will be a slide show of the Class final year in School.

Open Afternoon for New Junior Infants

On Wednesday 11th June from 2.15 -> 3.00pm. We are taking final enrolments now. Make sure you have your enrolments form in before the holidays. We want to make sure we have a place for all our existing families.

Green Schools

We were awarded our 4th Green Flag for Transport and Travel on Wednesday. We would like to thank all pupils, staff and parents for all their work on this project.

Lift off to Literacy

This is the extra reading taking place in 1st class each day between 2pm and 3pm from Christmas to Summer. We are delighted to say that it has improved the reading age of all pupils in the class, some by as much as 2 years. Very well done indeed to all pupils, parents and staff, all your hard work has been most worthwhile!

Educate Together Subscription

Educate Together, the Patron Body of our school charges its own subscription of €13 per pupil, per year. We are asked to collect this subscription and pass it on to Educate Together. This can be paid in the school office.

With kind regards,

Ann Middleton
Principal
