October Newsletter 2021

We have all completed our first month in school safely. All pupils have settled into their new classes very well.

School Photographer

Memory Lane photographer is due to visit us on Tuesday 5th Oct to take school photographs. We look forward to seeing all the smiling faces looking their best. The photographs may be with us just before Halloween Break. We will send them out as soon as we get them.

Allianz Pupil Insurance

A reminder that personal pupil insurance is available from Allianz for €6 per pupil for school hours and €9 per pupil for 24 hour cover. We have had families use this in the past for pupils who have unfortunately broken teeth in accidents outside school.

Halloween

Pupils may bring their Halloween costumes into school on Friday 22nd, which is the day of the Halloween Holidays. Just like last year, please put the costume into a plastic bag for 3 days beforehand to keep everyone safe. Pupils should come to school in their track suits not Halloween costumes and may change into their costumes at lunch time. Children may bring in their own individual party treats. As Covid restrictions are still in place each child should have their own treats in their own lunch box. We will not be sharing out food in school on this occasion.

Each class will have their own Halloween party in their classroom again this year. Everyone had a great time last year so it should be most enjoyable again this year.

Halloween Holidays

School closes at the normal time of 2pm for Infants and 3pm for 1st to 6th class on Friday 22nd October for the Halloween Break.

School re-opens again on Monday 1st November 2021.

Parent Teacher Meetings.

We hope to have the normal parent / teacher meetings in November on Thursday 25th if all restrictions have been lifted as planned on October 22nd.
